The cabin, oak framed and clad, wood grown in the wood, has been built by Graham Norgate & Paul Jackson and various others along the way - Jo, Tino, Paul, Jim, Jim Dye, Ben, and more.

I was born in 1957, a few years after rationing, when the Government started its Family Spending Survey (FES) - one has been conducted each year since.

In 1957 the average weekly income was £14.30.

Food average cost was 33% compared to 11% today.

Housing average cost 24 shillings, 9%, usually in rent to a landlord rather than mortgage payments to a bank, compared to 14% today. Discuss!
